RESOLUTION OF THE TOHONO O'ODHAM LEGISLATIVE COUNCIL

(Opposing the Proposed Amendment to the Pima County Comprehensive Plan to Allow a Golf Course and Housing Development on 500 acres near Three Points)

RESOLUTION NO. 2000-544

WHEREAS, the Tohono O'odham Nation is concerned that development of ground water and the creation of a sewage disposal system at a location so close to the Nation's boundary may adversely affect ground and surface water resources utilized by members of the Tohono O'odham Nation living in communities in the Schuk Toak District; and WHEREAS, the Tohono O'odham Nation is concerned that this development will seriously alter the rural character of the area along the Nation's eastern boundary and will conflict with the objectives of the Sonoran Desert Conservation Plan which the Nation has supported since its inception; and WHEREAS, the Tohono O'odham Nation is concerned that the project will adversely affect riparian habitat identified as important in several Pima County planning efforts including the Sonoran Desert Conservation Plan; and WHEREAS, the Tohono O'odham Nation is concerned that the project will adversely affect potentially suitable habitat for two federally recognized endangered species, the	1	WHEREAS,	the owners of land located between Brawley Wash and the eastern boundary of the
of 500 acres for a golf course, 745 units of housing and associated commercial development; and WHEREAS, the proposed development is located approximately one mile from the Tohono O'odham Nation's eastern boundary; and WHEREAS, these lands were previously occupied by the O'odham and contain archaeological and cultural resources which would be damaged or destroyed by the development; and WHEREAS, the Tohono O'odham Nation is concerned that development of ground water and the creation of a sewage disposal system at a location so close to the Nation's boundary may adversely affect ground and surface water resources utilized by members of the Tohono O'odham Nation living in communities in the Schuk Toak District; and WHEREAS, the Tohono O'odham Nation is concerned that this development will seriously alter the rural character of the area along the Nation's eastern boundary and will conflict with the objectives of the Sonoran Desert Conservation Plan which the Nation has supported since its inception; and WHEREAS, the Tohono O'odham Nation is concerned that the project will adversely affect riparian habitat identified as important in several Pima County planning efforts including the Sonoran Desert Conservation Plan; and WHEREAS, the Tohono O'odham Nation is concerned that the project will adversely affect potentially suitable habitat for two federally recognized endangered species, the Cactus Ferruginous Pygmy-Owl and the Pima Pineapple Cactus, both of which are known to occur in the area; and WHEREAS, the Tohono O'odham Nation is concerned that the housing development anticipated in this proposal will add vehicle traffic to State Route 86 which will seriously disrupt	2		Tohono O'odham Nation have a pending request before the Pima County Board of
development; and WHEREAS, the proposed development is located approximately one mile from the Tohono O'odham Nation's eastern boundary; and WHEREAS, these lands were previously occupied by the O'odham and contain archaeological and cultural resources which would be damaged or destroyed by the development; and WHEREAS, the Tohono O'odham Nation is concerned that development of ground water and the creation of a sewage disposal system at a location so close to the Nation's boundary may adversely affect ground and surface water resources utilized by members of the Tohono O'odham Nation living in communities in the Schuk Toak District; and WHEREAS, the Tohono O'odham Nation is concerned that this development will seriously alter the rural character of the area along the Nation's eastern boundary and will conflict with the objectives of the Sonoran Desert Conservation Plan which the Nation has supported since its inception; and WHEREAS, the Tohono O'odham Nation is concerned that the project will adversely affect riparian habitat identified as important in several Pima County planning efforts including the Sonoran Desert Conservation Plan; and WHEREAS, the Tohono O'odham Nation is concerned that the project will adversely affect potentially suitable habitat for two federally recognized endangered species, the Cactus Ferruginous Pygmy-Owl and the Pima Pineapple Cactus, both of which are known to occur in the area; and WHEREAS, the Tohono O'odham Nation is concerned that the housing development anticipated in this proposal will add vehicle traffic to State Route 86 which will seriously disrupt	3		Supervisors to amend the Pima County Comprehensive Plan to allow development
WHEREAS, the proposed development is located approximately one mile from the Tohono O'odham Nation's eastern boundary; and WHEREAS, these lands were previously occupied by the O'odham and contain archaeological and cultural resources which would be damaged or destroyed by the development; and WHEREAS, the Tohono O'odham Nation is concerned that development of ground water and the creation of a sewage disposal system at a location so close to the Nation's boundary may adversely affect ground and surface water resources utilized by members of the Tohono O'odham Nation living in communities in the Schuk Toak District; and WHEREAS, the Tohono O'odham Nation is concerned that this development will seriously alter the rural character of the area along the Nation's eastern boundary and will conflict with the objectives of the Sonoran Desert Conservation Plan which the Nation has supported since its inception; and WHEREAS, the Tohono O'odham Nation is concerned that the project will adversely affect riparian habitat identified as important in several Pima County planning efforts including the Sonoran Desert Conservation Plan; and WHEREAS, the Tohono O'odham Nation is concerned that the project will adversely affect potentially suitable habitat for two federally recognized endangered species, the Cactus Ferruginous Pygmy-Owl and the Pima Pineapple Cactus, both of which are known to occur in the area; and WHEREAS, the Tohono O'odham Nation is concerned that the housing development anticipated in this proposal will add vehicle traffic to State Route 86 which will seriously disrupt	4		of 500 acres for a golf course, 745 units of housing and associated commercial
O'odham Nation's eastern boundary; and these lands were previously occupied by the O'odham and contain archaeological and cultural resources which would be damaged or destroyed by the development; and the Tohono O'odham Nation is concerned that development of ground water and the creation of a sewage disposal system at a location so close to the Nation's boundary may adversely affect ground and surface water resources utilized by members of the Tohono O'odham Nation living in communities in the Schuk Toak District; and the Tohono O'odham Nation is concerned that this development will seriously alter the rural character of the area along the Nation's eastern boundary and will conflict with the objectives of the Sonoran Desert Conservation Plan which the Nation has supported since its inception; and whereas, the Tohono O'odham Nation is concerned that the project will adversely affect riparian habitat identified as important in several Pima County planning efforts including the Sonoran Desert Conservation Plan; and whereas, the Tohono O'odham Nation is concerned that the project will adversely affect potentially suitable habitat for two federally recognized endangered species, the Cactus Ferruginous Pygmy-Owl and the Pima Pineapple Cactus, both of which are known to occur in the area; and whereas, the Tohono O'odham Nation is concerned that the housing development anticipated in this proposal will add vehicle traffic to State Route 86 which will seriously disrupt	5		development; and
