RESOLUTION OF THE PAPAGO TRIBAL COUNCIL
(Supporting NCAI Recommendations - ANA)

RES. NO. 100-80

WHEREAS, the Papago Community Action Program has reported certain recommenda-
tions to the Papago Council which were supported by the Human Resource
Committee of the National Congress of American Indians concerning
programs administered by the Administration for Native Americans
("ANA") under Title VIII of the Community Services Act, and the
Papago Council does fully support such recommendations.

NOW, THEREFORE, BE IT RESOLVED by the Papago Council that it hereby recommends
that:

1. Since the ANA has been unable to meet its diverse responsibilities
   to Indian tribal governments, urban Indian Centers and other
   Native American groups at the $32 to $33.8 million funding level
   that has prevailed over the last seven fiscal years, the
   Administration must seek a substantial increase in this funding
   level. The Appropriations Committees of both the House and Senate
   are urged to hold special hearings on the ANA budget, taking
   testimony from Indian governments and organizations. Acting on
   the basis of the need shown in these hearings, the Congress should
   approve a funding increase.

2. The Papago Council voices serious concerns about the new ANA policy
   initiative called Social and Economic Development Strategies
   (SEDS). Indian Tribes and other affected groups must be consulted
   in the development of such a policy initiative. ANA should not
   implement SEDS by defunding existing grantees or reducing the
   funding levels for existing programs. ANA should not impose time
   limits on the continuation of its ongoing support for Indian
   Tribes and off-reservation groups, and ANA grants should continue
   in the light of the principle of self-determination rather than
   imposing federal agency ideas of program priorities on Tribes or
   other grantees. ANA should publish information on the distribution
   of all ANA funds by grantee and program type in order to indicate
   the source of the funds it is allocating to the SEDS approach.

3. Since the authorization for ANA programs, Title VIII of the
   Community Services Act, expires at the end of Fiscal Year 1981,
   the Administration and the Congress should develop a plan to
   consult with Indian Tribes and organizations on the renewal of
   this Act and other administrative and policy issues.

4. Better communications be developed by ANA with the Indian tribal
   governments, certain Indian centers and other Native American
   groups.

The foregoing Resolution was duly enacted by the Papago Council on the 7th day of October, 1980, at a meeting at which a quorum was present with a vote of 843.5 for; 0 against; 71. not voting; and 2 absent, pursuant to the authority vested in the Papago Council by Section 2 (a) and (d) of Article V of the Constitution and By-laws of the Papago Tribe of Arizona as amended, ratified by the Papago Tribe on December 12, 1936, and approved by the Secretary of the Interior on January 6, 1937, pursuant to Section 16 of the Act of June 18, 1934 (48 Stat. 984). Said Resolution is not subject to review by the Secretary of the Interior and is effective as of the date of its enactment by the Papago Council.
