

RESOLUTION OF THE PAPAGO COUNCIL

RES. NO. 1504

BE IT FURTHER RESOLVED THAT, all Tribal Representatives present encourage greater cooperation between Public Health Service and Indian people, and, more particularly, Public Health Service personnel should be given consideration in order that they may have a better understanding and respect of Indian life and understand that Public Health Service is to serve Indian people.

The foregoing resolution was duly enacted by the Papago Council on February 10, 1967 with a vote of 20 for and 0 against during a meeting at which a quorum was present, pursuant to authority vested in the Council by Section 2 (a), 2(b) and 3 (h) of Article V of the Constitution and By-Laws of the Papago Tribe ratified by the Tribe on December 12, 1936, and approved by the Secretary of the Interior on January 6, 1937, (Stat. 984), pursuant to Section 16 of the Act of June 18, 1934. Said Resolution is effective as of the date of its approval by the Superintendent of the Papago Agency and is not subject to review by the Secretary of the Interior, pursuant to Section 2 of Article V of the Constitution and By-Laws of the Papago Tribe.

1. Introduction

The purpose of this document is to provide a comprehensive overview of the current state of the project and to outline the key objectives and milestones for the next phase of development. This document is intended for internal use only and contains sensitive information.

The project has made significant progress since the last meeting, with several key milestones being achieved. The development team has successfully completed the initial design phase and is now moving forward with the implementation of the core functionality.

Key areas of focus for the next phase include: enhancing the user interface, improving the system's performance, and ensuring robust security measures are in place. The project team is committed to delivering a high-quality solution that meets the needs of our stakeholders.

The following table provides a detailed breakdown of the project's progress and the remaining tasks. It is important to note that the timeline is subject to change based on the availability of resources and any unforeseen challenges that may arise.

The project team is currently reviewing the progress and identifying any potential risks or issues that may impact the project's timeline. It is essential to maintain open communication and collaboration throughout the project to ensure the best possible outcome.

The next meeting will be held on [Date] at [Time] to discuss the progress and any action items. Please ensure that all team members are present and prepared to discuss their respective areas of responsibility. Your input and feedback are highly valued.

The project team is confident that we are on track to meet our goals and deliver a successful project. We will continue to work hard and maintain a high level of professionalism and integrity throughout the entire process.

Thank you for your support and contribution to the project. We look forward to your continued involvement and collaboration. If you have any questions or concerns, please do not hesitate to reach out to the project manager.

This document is confidential and should be handled accordingly. It is not to be distributed outside of the project team without the explicit permission of the project manager. Thank you for your attention.

RESOLUTION OF THE PAPAGO COUNCIL

RES. NO. 1504

WHEREAS, All Tribal representatives attending the Tribal Leaders Health Conference at Grand Canyon Colledge at Phoenix, Arizona January 23, 24, 25, 1967 find many areas of Inadequate health services for Indian people in the Phoenix Area, and

WHEREAS, The health needs of Indian people exceed that of any other minority in the United States, and the federal government is responsible for providing health services to Indian people, and

WHEREAS, Many of the health needs can be met with increased funds and personnel for health and sanitation programs together with improvement in practices and understanding in dealing with Indian people, and

WHEREAS, The Tribal Representatives present wish to make their needs known by resolution to all people concerned, including their congressional delegations, who could help in securing better health services.

NOW THEREFORE LET IT BE RESOLVED THAT , all tribal representatives present at this conference petition Congress and the United States Public Health Service, Division of Indian Health, to take action at all levels to provide additional funds for Indian health and sanitation program;

BE IT FURTHER RESOLVED THAT, all tribal representative present petition the United States Public Health Service to raise the ceiling on personnel employment in order that the present and future needs such as dental services, mental health, optometry, preventative medicine, water and sanitation, etc., can be met;

BE IT FURTHER RESOLVED THAT, all tribal representatives present petition the United States Public Health Service to assure Indian people that contract service will meet the highest of standards, and also, give assurances that health facilities will be established close to Indian communities whenever possible;

BE IT FURTHER RESOLVED THAT, all tribal representatives present, recognizing that Oshrin Hospital is inadequate according to other hospital standards to handle Indian tuberculosis cases and should not be tolerated by the Public Health Service; hereby petition the Phoenix Area Office, United States Public Health Service, Division of Indian Health, to take immediate action to investigate and improve the practices at Oshrin Hospital at Tucson, Arizona, and also to make other sanitoriums available to Indian people.
